

CROSBY HIGH NEWSLETTER

2ND
OCTOBER
2026

As we continue to move through the autumn term, I'm pleased to share some positive updates and celebrations from Crosby High that show how our school community supports each other and makes a real difference.

Our harvest festival preparations are going well, and I want to thank the many families who have donated items to our local food banks and to help people in need. This shows the values we want our pupils to develop and reflects how caring our school is. South Sefton Food Bank has asked us to highlight items they particularly need right now: tinned rice pudding, packet rice, biscuits, tinned fruit, cereal, tinned potatoes, and UHT milk. Toiletries are also very welcome. If you are able to help, please know that every donation, however small, makes a real difference to people who are struggling.

Last Friday's Macmillan Coffee Morning was brilliant and raised £390 for this really important cause. Thank you to everyone who came along and supported it.

I want to remind you about two upcoming events. The 'Meet the Form Tutor Evening' is next Tuesday, 6th October 2026. Parents and carers are able to book appointments to speak with form teachers – the main office has sent details about how to do this.

We're also asking all pupils and staff to wear yellow next Friday, the 9th of October, for the "Young Minds Hello Yellow" Campaign. This campaign raises awareness and money for young people's mental health, which is something we take very seriously. If any pupil would rather not wear yellow clothing, they can wear a yellow accessory or just come in their normal uniform instead. We want everyone to feel comfortable taking part.

I hope you find this helpful and look forward to seeing you at these events.

The pupils whilst looking at the religion of Judaism discussed the festival of Sukkot. They made Sukkah which is Hebrew for tent to remember the Israelites fleeing the dessert.

7JN PERSONAL DEVELOPMENT

7JN went on a litter pick to demonstrate one of our Classroom Expectations to show care and respect! They had a great time collecting a full bag of litter! Well done!

8LOD PERSONAL DEVELOPMENT

8LOD visited Derby Park to observe signs of Autumn. We ticked off a list of things that indicated to us the season was truly here.

CHILDCARE

The Year 10 childcare group wanted to help the foodbank with essential items. They made a list and stuck to a budget making sure they purchased the best value for money items.

PERFORMING ARTS

Year 10 were very lucky this week as Mrs Turton brought three of the instruments she plays in to show them - The Piano Accordion, The Button Accordion and a Tin Whistle.

The class were able to have a go at playing the accordions. They also choreographed a chair dance.

The D of E Silver group partnered up with the Friends of Crosby Beach to carry out a beach clean on Tuesday afternoon. This was part of the Volunteering section of their award. They removed lots of rubbish from the beach and it was very much appreciated by FOCB.

NEW TEACHER IN TOWN

Every week, Mr Birch runs a very popular DJ Club at lunchtime, where pupils have the opportunity to learn new skills, experiment with music and of course, have lots of fun! Recently, Tom, one of our Year 11 pupils, took on the role of teacher for the session! Having developed and mastered his DJ skills through Mind Mastery, Tom was keen to share his knowledge and experience with some of our younger pupils. Tom did a fantastic job of showing the pupils how to use the equipment, sharing his skills and encouraging them to have a go for themselves. He was a brilliant role model and a great example of how the skills developed at Crosby High can be used to inspire and support others.

Well done, Tom – we think you may have found your new career!

BASE 1

In PSHE this week Base 1 have been looking at friendship. They asked questions like who is our friend? What makes a good friend? They made best friends headbands and shared some kind words about each other.

There is a local resident who is 100 on the 7th October. There was an appeal for birthday cards for her. Base 2 all made a birthday card for her.

As part of their Personal Development lessons, Base 3 have been learning about road safety. They discussed where it is safe and unsafe to cross the road and practised the important rule: Stop, Look, Listen! The children thought carefully about how to keep themselves safe when crossing roads.
