CROSBY HIGH NEWSLETTER

13TH NOVEMBER 2026

Dear Parents and Carers,

It has been another busy and purposeful week here at school, filled with reflection, generosity, and community spirit. Earlier in the week, following Remembrance Sunday, our school community came together to mark Armistice Day on Wednesday 11th November. Pupils showed great respect and maturity as we paused to reflect and remember.

Today, it has been fantastic to see the children dressed up today for BBC Children in Need and getting into the spirit of the occasion. Thank you so much for your wonderful generosity—every donation helps make a real difference, and we are hugely grateful for your support.

Looking ahead, we are currently in the process of appointing our new Year 11 Prefects. It has been brilliant to see so many students stepping forward wanting to take on leadership roles within the school, and we look forward to announcing the successful team in the very near future.

As the weather has turned markedly colder this week, please ensure that your child brings a warm coat to school every day. Pupils spend time outside during break and lunchtime, and we want to make sure everyone stays warm and comfortable.

Thank you, as always, for your continued support. We wish you and your families a very restful weekend.

Kind regards,

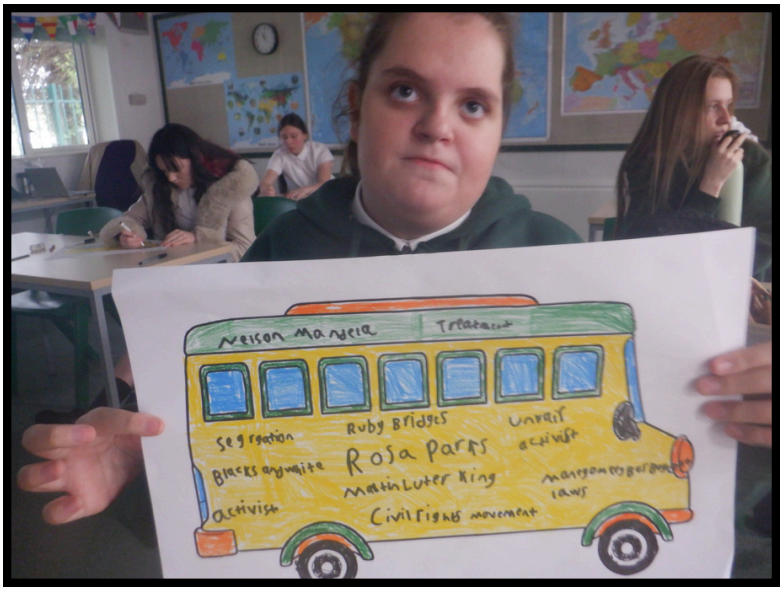

Gavin Dixon

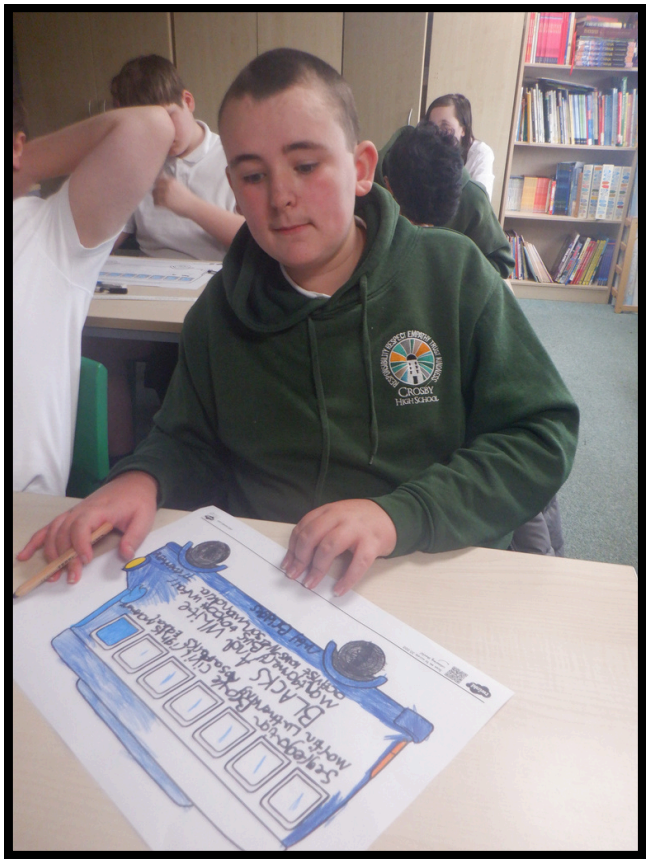

Assistant Head

RE

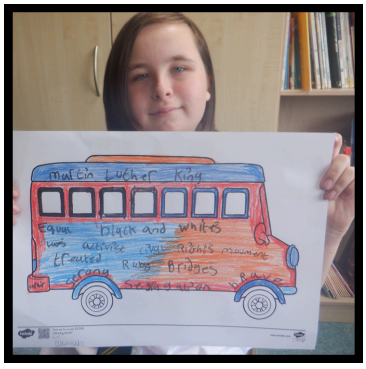

In RE whilst completing a unit on Predjudice and discrimination Year 10 looked at famous and influential figures like Rosa Parks. They then discussed a range of powerful words associated with Black History Month.

HISTORY

Our Year 10 pupils visited the Cenotaph to mark Remembrance Day and pay their respects to those who have served and sacrificed so much for our country. Pupils were a credit to the school, showing maturity, excellent behaviour and respect throughout the visit. It was a lovely opportunity for them to reflect on the importance of remembrance and understand why we continue to honour those who gave so much for others. We are very proud of them all!

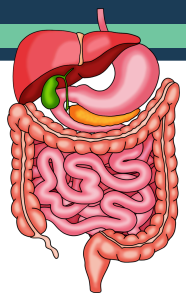

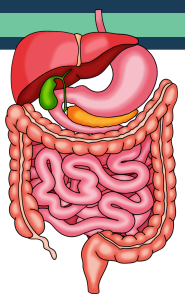

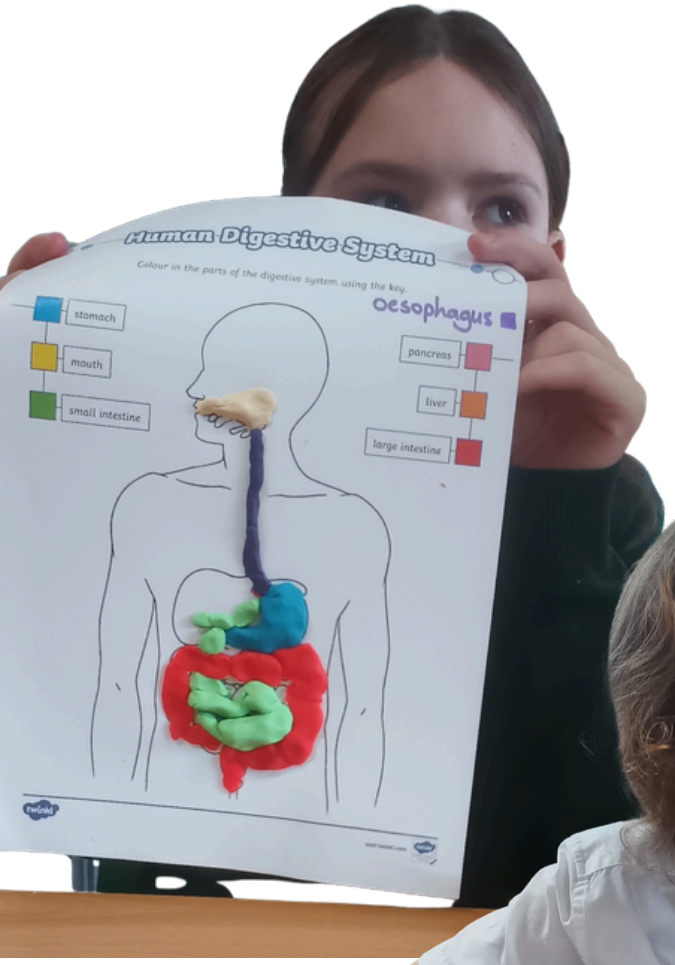

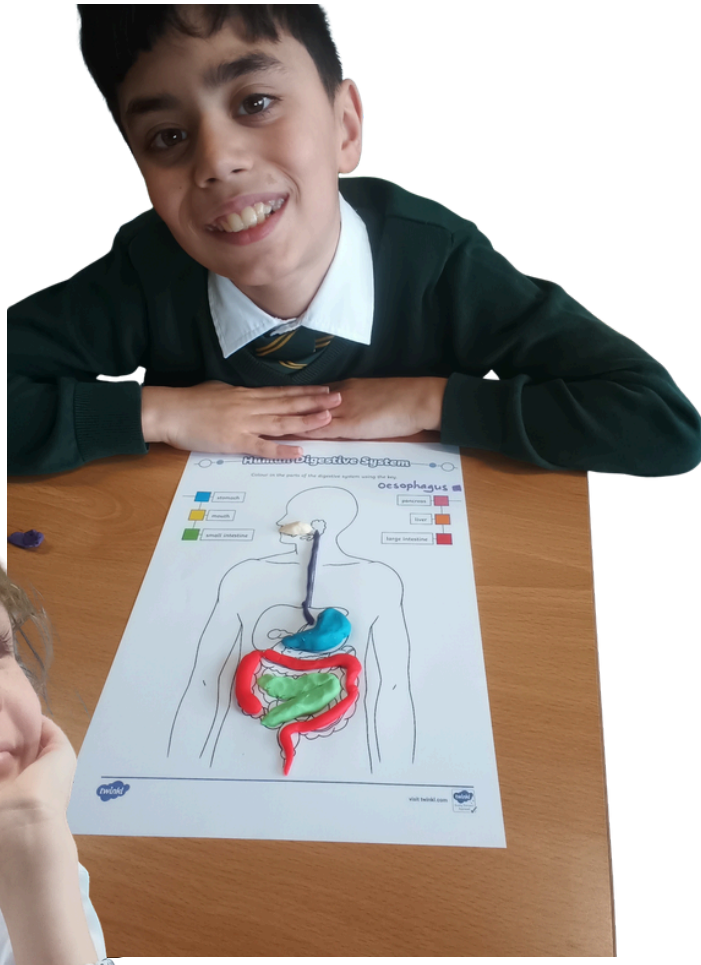

SCIENCE

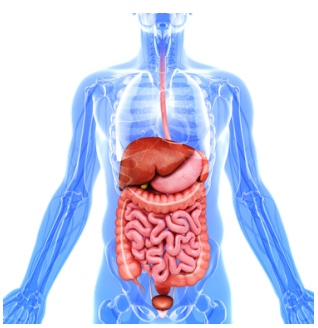

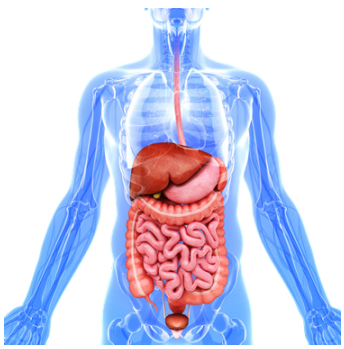

7MC have made a great start to understanding the digestive system in their science lessons.
They loved using Play Doh to learn the names of the important organs in a multi-sensory way

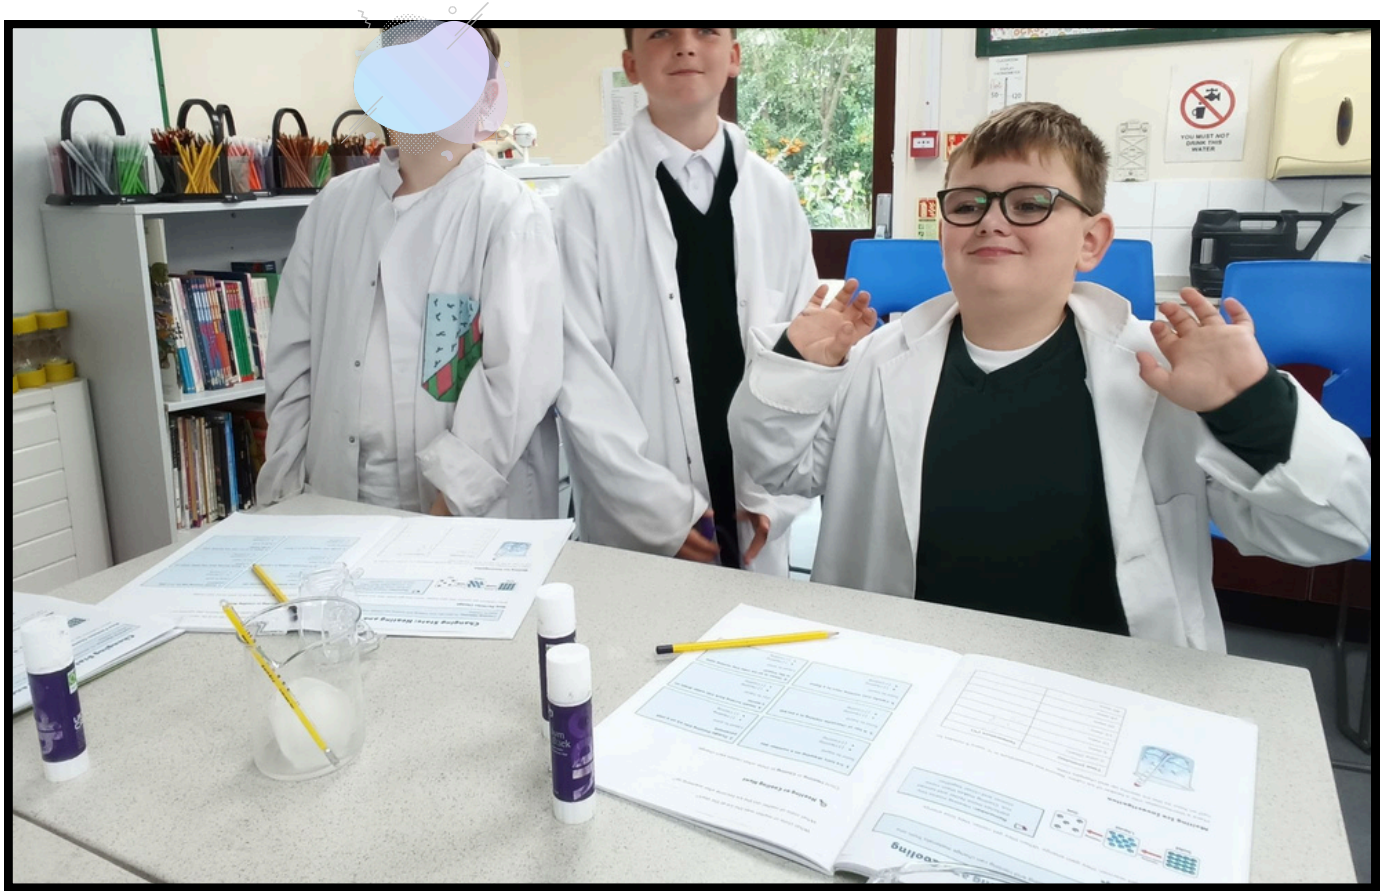

SCIENCE

7B enjoyed completing an experiment where they observed changes in state!

CHILD CARE

The Year 10 Child Care group went to Ainsdale to visit the lifeboat charity shop. They have been discussing the importance of pre-loved baby items for parents on a budget. the group found lots of essential items.

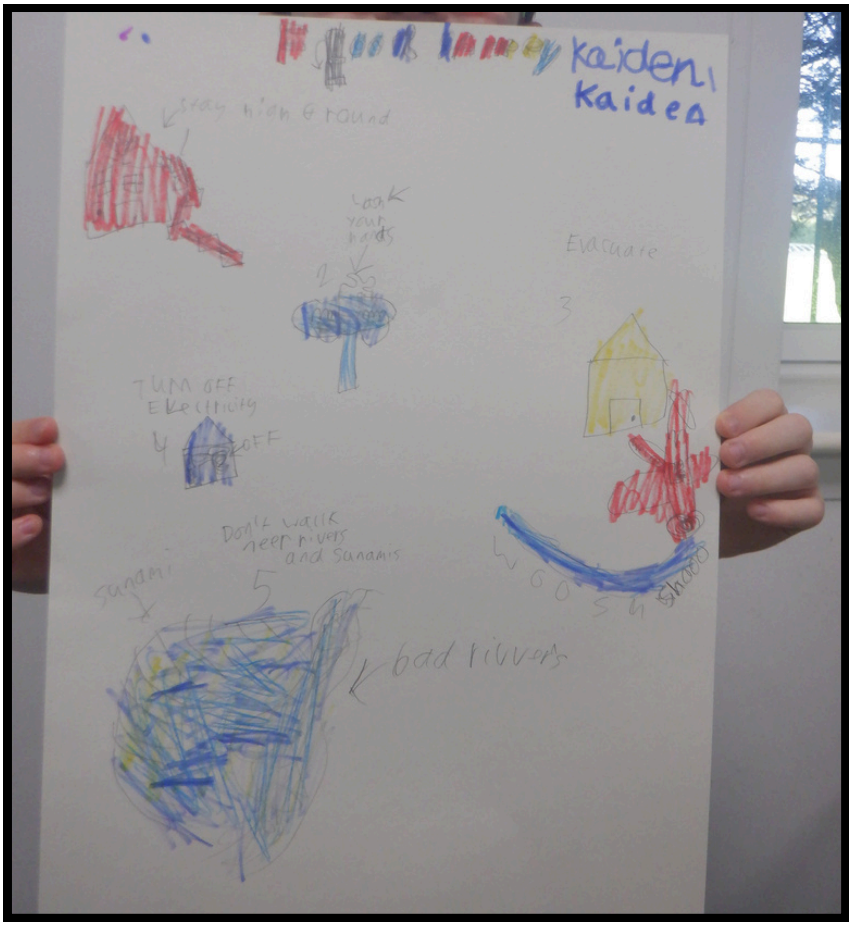

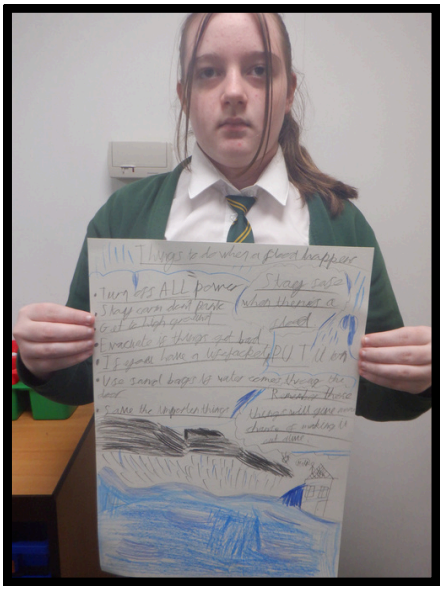

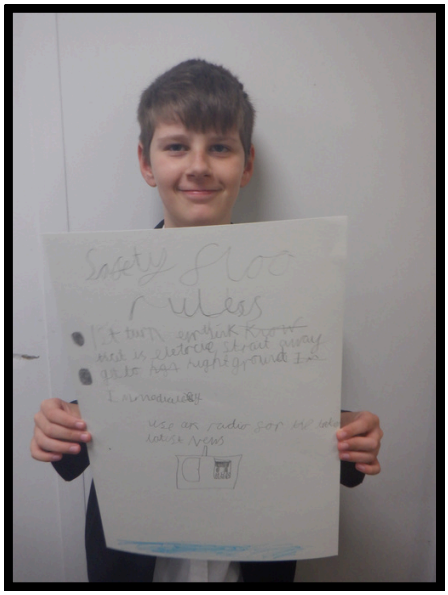

GEOGRAPHY

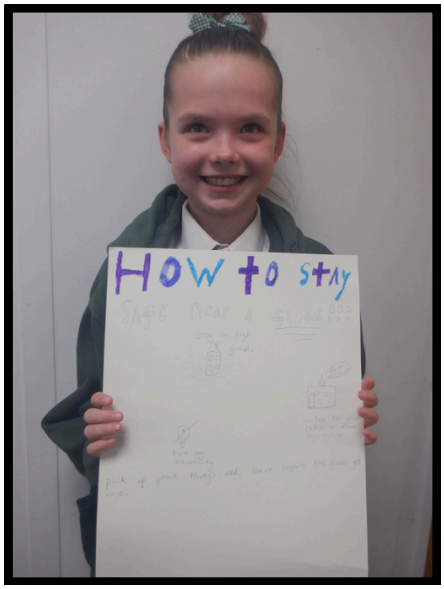

The Year 8's have been looking at the impacts of flooding particularly in the UK. they discussed advice that would be given in vunerable areas and made advice leadflets for local people.

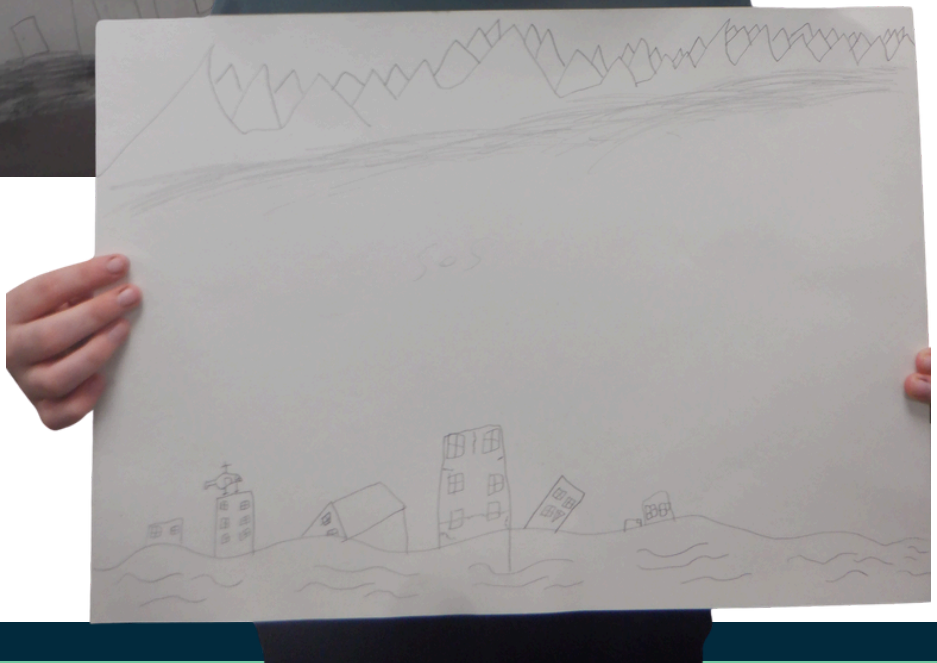

GEOGRAPHY

9B have looked at how people adapt to life in wet climates and the impact of the Monsoon. They created these posters to show how people cope.

BASE 4

Base 4 have been exploring World War One as part of their topic work, alongside reading War Horse in English. The two subjects have linked together beautifully in the lead-up to Remembrance Day.

Pupils have been learning about the important roles animals played during WW1 and discovering why we mark Remembrance Day each year. To bring their learning to life, they visited the war memorial in Crosby and also spent time at the British Legion in Crosby Village.

It has been a lovely opportunity for pupils to develop their understanding of history and reflect on the importance of remembering those who served.

They then each wrote their own war poem.

Peace and hope.
Open your heart.
Pretend to be brave.
Places to remember
You will never forget who gave you your freedom.
By Laila

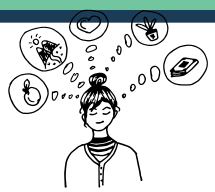

I can see the red poppies.
I can smell fire.
I feel angry about the fight.
I can touch dirty mud.
I can taste disgusting food.
I can hear birds tweeting.
By Katie

I can see fires in the distance.
I feel sad because I miss my family.
I can hear bombs exploding.
I can taste smoke from the guns.
By Joseph

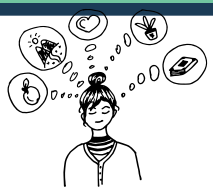

In the trench I see bombs exploding everywhere.
I can taste the horrible smoke.
I can smell burning ashes.
I can hear soldiers screaming.
I feel the heat burning my face.
I am scared.
By Isobel

I can see guns lying in the mud.
I can smell bombs as they go in the sky.
By Lucas

I can taste the ash on my tongue.
I feel rats chewing on my clothes.
I am scared.
I can see blue smoke and hear the bombs falling from the sky.
I hope I will be remembered.
By Richard

PERSONAL DEVELOPMENT

7MC have really enjoyed spending more time cuddling and looking after Pikachu during these colder days

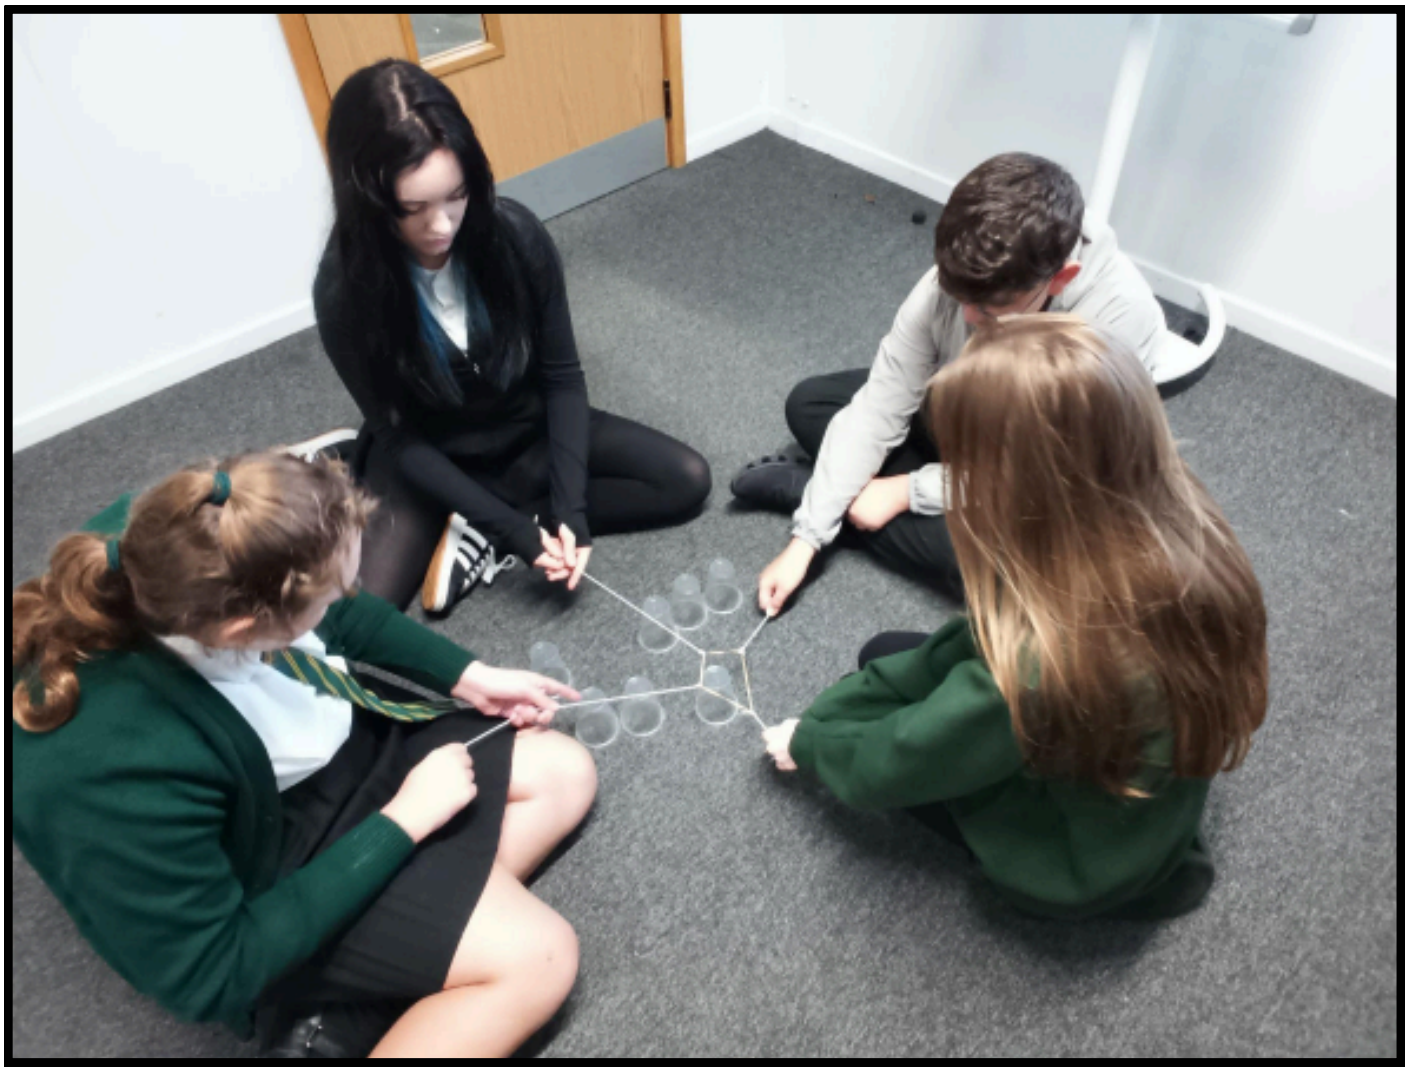

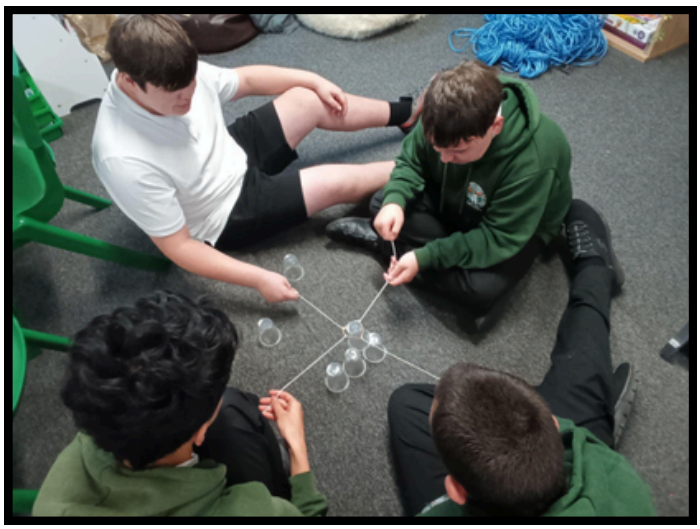

7MC

Hi, year 10 have been working on cooperation and teamwork in Personal Development.

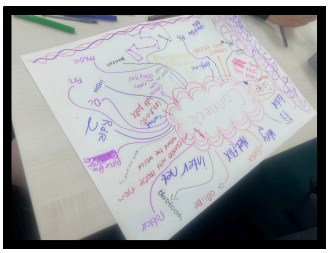

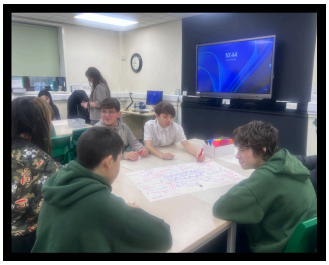

On Thursday 5th November Year 10 pupils came together for a workshop led by Emily from MHST. This workshop focussed on mental health and wellbeing using the '5 Ways to Wellbeing'.

Pupils engaged well with this workshop and were able to identify ways to improve their well being both mentally and physically.

A big thank you to Emily from the Mental Health Support Team

RESPONSIBILITY · RESPECT · EMPATHY · TRUST · KINDNESS

CROSBY HIGH SCHOOL

presents

Winter Wonderland

A FESTIVE SHOW FULL OF MUSIC, DANCE AND MAGIC

THURSDAY 10TH DECEMBER

1:30PM & 7PM

TICKETS: £4.50

PUPIL OF THE WEEK

7MC: ARIANA

For enthusiasm towards the Christmas show and for brilliant dancing!

7JN: COREY

Corey always starts each day with a smile and tries his best in everything he does. He is a kind friend and a valued member of the class. Well done Corey!

8LOD: CASEY

For making a real effort to follow the rules and be a good friend

8LVJ: WHOLE CLASS

For good team work on Enterprise Day!

9JM: GARY

For being a good sport and agreeing to perform in the Christmas show. We cannot wait to see your act. Well done.

9TC: ANJA

For excellent teamwork and focus during enterprise day and for consistently demonstrating the school values in each and every lesson.

10JA: WHOLE CLASS

For great team work during Enterprise day. Beyond luxury!

11LR: TOM

Well done for going above and beyond in your marketing strategy during Enterprise day.

11SH: ELLIS

For his excellent poster to support Enterprise day marketing.

BASE 1: LEXI

For becoming far more independent in and around school.

BASE 2: LUCA

For fantastic fire making skills in forest school.

BASE 3: BETTY

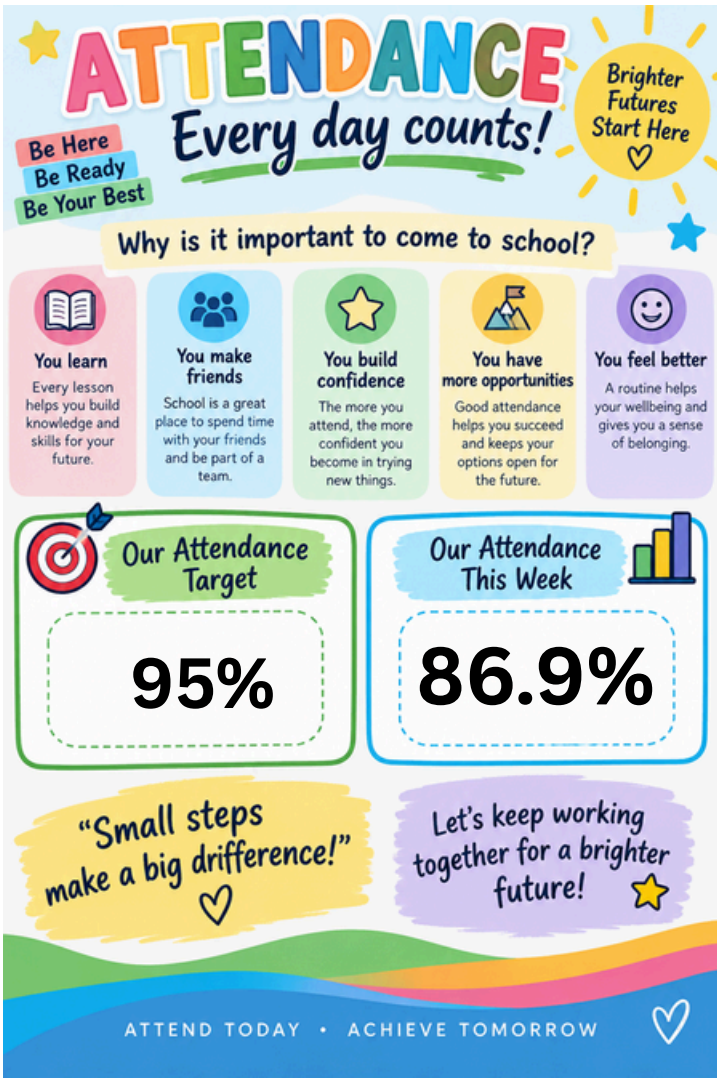

Well done, Betty, for coming into class and confidently joining the other girls at the table. It's lovely to see you making friendships, spending time with your classmates and becoming more involved in the group. Keep it up, Betty!

BASE 4: RICHARD

Showing resilience and perseverance skills in Forest School

BASE 5: MARK

For improving with our listening skills and helping out your peers especially in ICT.
