A HUGE ACHIEVEMENT FOR CROSBY HIGH SCHOOL!

We are absolutely delighted and incredibly proud to announce that, following a rigorous assessment process, Crosby High School has been awarded the **IQM Centre of Excellence Award!** This is a fantastic achievement that recognises our commitment to inclusion and ensuring every pupil is valued, supported and given the opportunity to thrive. The award reflects the amazing work, dedication and passion of our staff, who go above and beyond every day to meet the individual needs of our pupils. From building positive relationships and creating exciting learning opportunities to working closely with families, our staff make a real difference to the lives of our young people.

Inclusion is at the heart of everything we do at CHS, and this award celebrates the teamwork, compassion and commitment that make our school such a special place to learn, grow and belong.

A huge well done and thank you to our incredible staff team – this is a wonderful achievement for our whole school community, and we have every reason to be proud!

Football News

CHS Football team have been busy on the football pitch this week, taking part in three matches. We are pleased to report that we secured one win out of three matches! Well done to all the pupils who took part, showing teamwork, determination and great sporting spirit. We are proud of everyone who represented our school!

Swimming Success

Our Duke of Edinburgh (DofE) group and pupils from Base 4 and Base 5 have continued their swimming lessons this week. These sessions provide valuable opportunities to develop water confidence, practise important life skills and build independence. Swimming lessons will continue after the half-term break, and we look forward to seeing our pupils continue to develop their skills.

School Photographs – New Date

Unfortunately, due to illness, we were unable to take our school photographs this week. We apologise for any inconvenience caused. The good news is that school photographs will now take place next Wednesday. Thank you for your understanding.

Food Bank Donations

Monday is the last for Food bank donations as part our Harvest Festival. Thanks you for all your donations so far.

Looking Ahead to Half Term!

We have another bus.y three days ahead of us before pupils finish at their normal time on Wednesday for half term! Thank you to our pupils, families and staff for all their hard work this half term so far. We look forward to making the most of our final few days together before everyone enjoys a well deserved break.

HISTORY

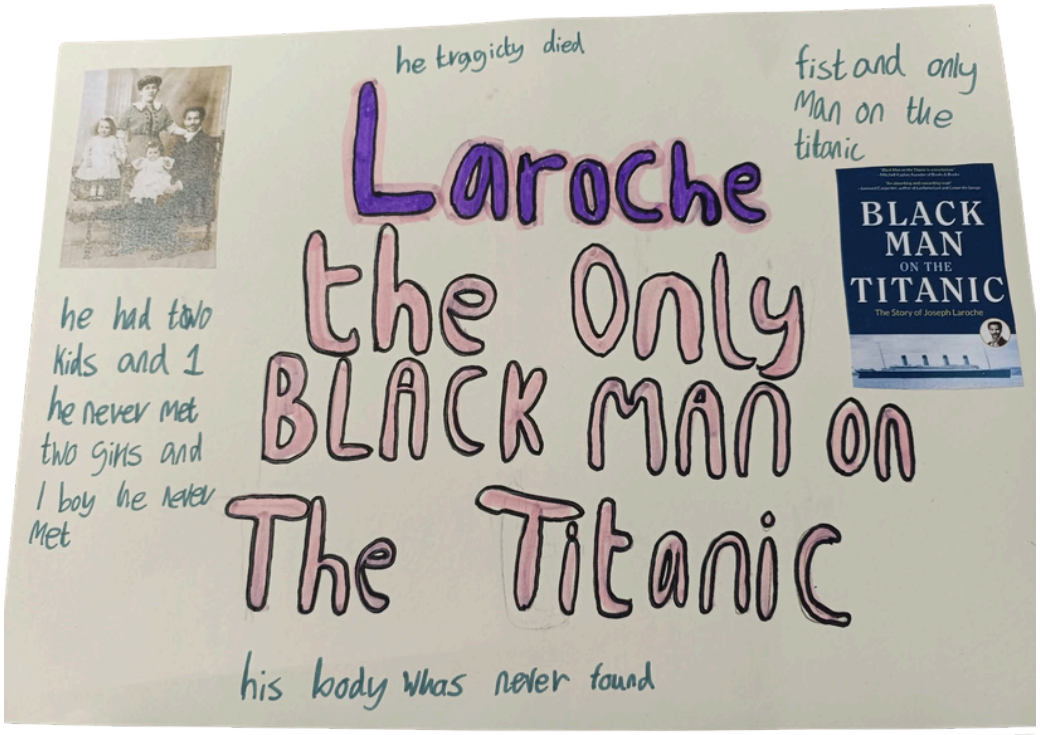

During Black History Month, Year 8 learnt about Lilian Bader, who was from Liverpool and became one of the first Black women to serve in the British Armed Forces during World War Two. After the war, she became a teacher and dedicated her life to educating others about racism and sharing her own experiences. Lilian lived to the age of 97, leaving behind an inspiring legacy of courage, determination and education.

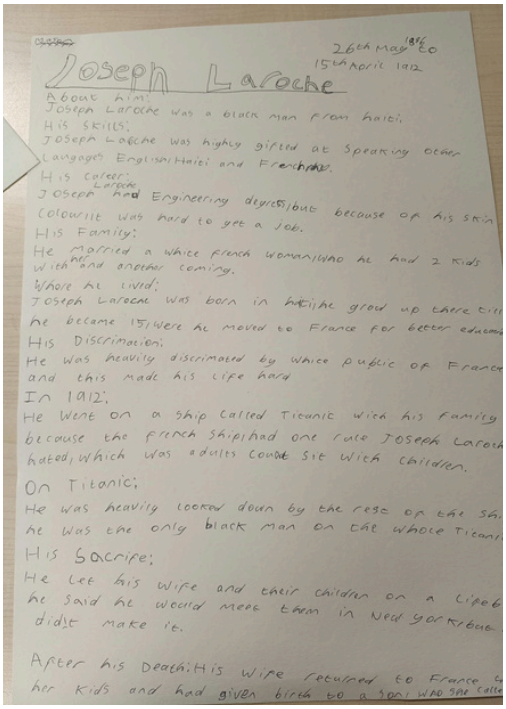

Year 10 have been learning about Rosa Parks and her important role in the American Civil Rights Movement. Pupils explored how Rosa bravely challenged racial segregation by refusing to give up her seat on a bus, helping to inspire a wider movement for equality and justice. Her story encouraged pupils to reflect on courage, fairness and the importance of standing up for what is right.

Year 10 Humanities explored the sad story of Joseph Laroche, the only known Black passenger aboard the Titanic. Pupils learnt about his life, his experiences of racism and the tragic events surrounding the sinking of the ship in 1912. His story provided an opportunity to reflect on the lives of people whose experiences are often overlooked in history.

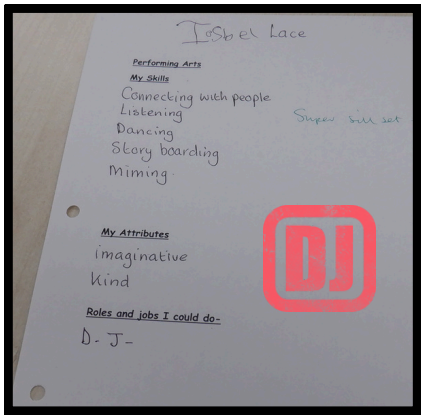

PERFORMING ARTS

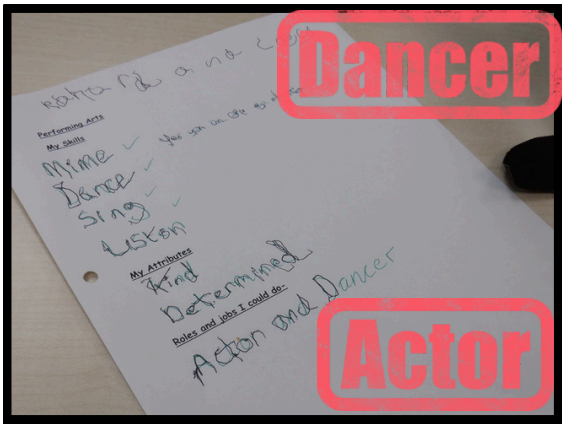

The Year 10 Performing Arts group went to have a look at the costumes and props in the wardrobe cupboard. They tried on some different costumes to help them develop their characters.

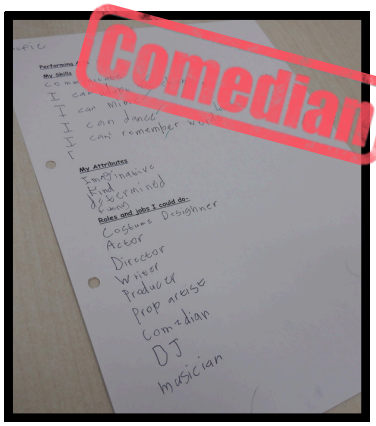

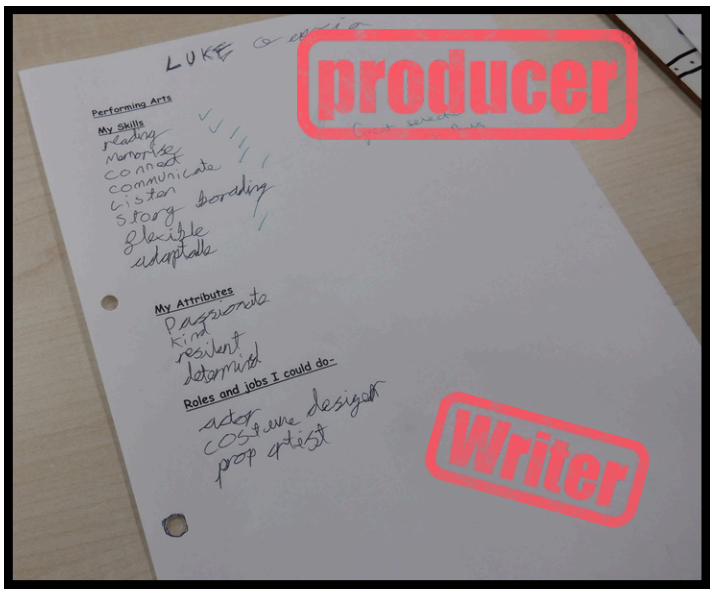

PERFORMING ARTS

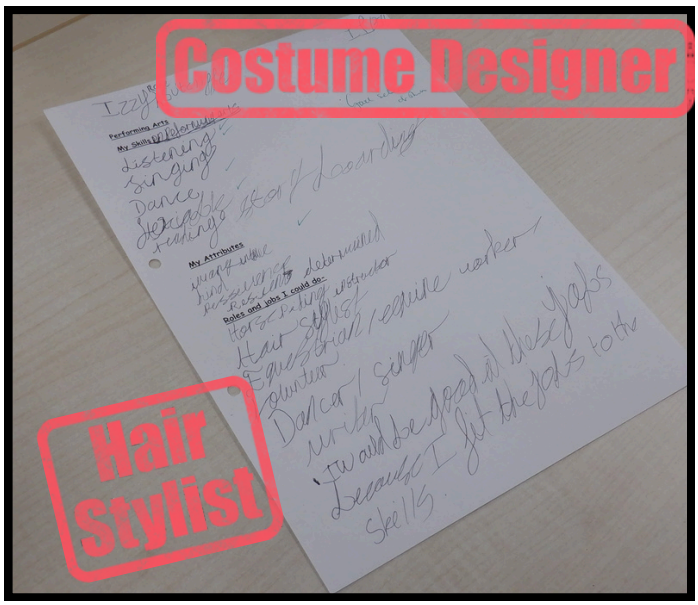

In Performing Arts this week Year 11 were able to study and select their skills and attributes that make them good at performing art roles.

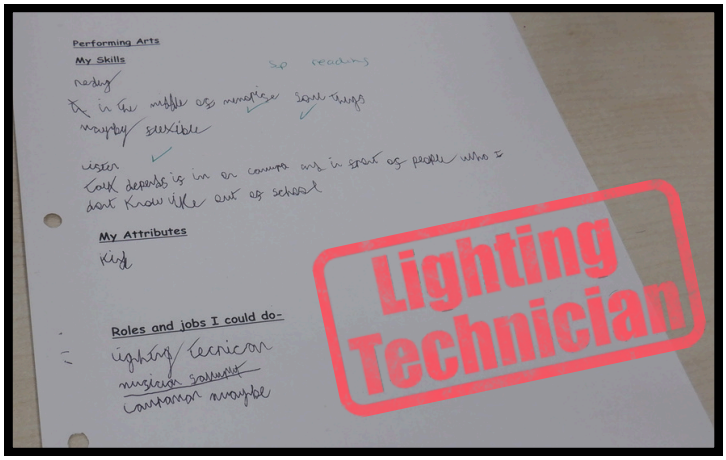

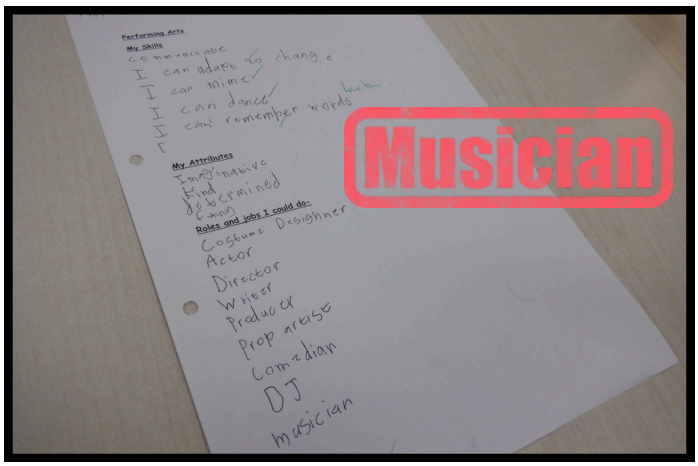

FOREST SCHOOL

Base 2 visited the Pine Woods during Forest School this week.

D OF E

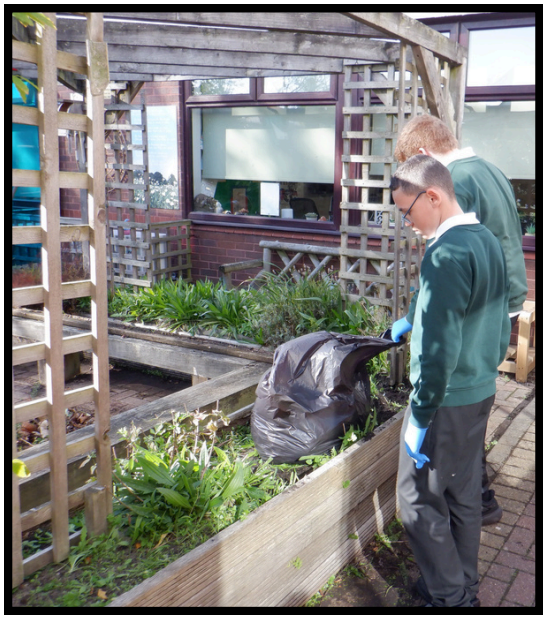

The D of E Silver students have been volunteering around school this week. They have begun to tidy up the Thrive garden area by getting rid of weeds and dead plants. They have been cleaning and brightening up the area as well. Once some preparation work was complete the students planted some Daffodil and Allium bulbs. We hope to keep working to improve the Thrive garden throughout the course of this year.

7JN MENTAL HEALTH

7JN enjoyed learning about Mental Health in their PSHE lessons, they also enjoyed a workshop organised in support of mental Health day 2026!
